

## ABOUT ME

I am an individual who is determined, communicative and creative. Determination is key in my eyes, not giving up before achieving whatever you set your mind on. Communication is one of my favorite thing to do, always dedicate to learn from others and help others out wherever possible. My major in Software Engineering helps me further to show case my talents creatively. Having found my passion in this field, I wish to pursue this line of work in my future career.

## SOFT SKILLS

Leadership skills

Time-Management skills

Communication skills
